About Watson Express Security

At Watson Express Security, we are committed to excellence in event and corporate security services. We are a growing company that invests in the careers of our team members, offering training, advancement, and leadership opportunities. Veterans are strongly encouraged to apply.

Position Overview

We are seeking motivated and professional **Event Security Guards** to join our team. In this role, you will be responsible for protecting clients, guests, and staff while ensuring a safe and positive event experience. Event Security Officers act as representatives of both the client and Watson Express Security by maintaining order, providing assistance, and delivering outstanding customer service.

Key Responsibilities

- Monitor entry and exit points, including verifying access and checking badges.
- Provide accurate information and assistance to event guests.

- Enforce venue and event policies (e.g., no smoking, restricted access).
- Respond promptly to incidents, emergencies, and evacuations.
- Handle patron complaints and escalate issues when necessary.
- Complete Daily Activity Reports (DAR) and clock in/out using the Officer Reports app.
- Support event managers and collaborate with site staff and fellow security team members.

Qualifications

- High school diploma or equivalent (preferred).
- Driver's license and reliable transportation (**required**).
- At least 1 year of customer service or security experience (preferred).
- Military, police, or 2+ years of professional security experience (preferred).
- First Aid/CPR/AED certification (preferred; training available within 90 days if not certified).
- Smartphone (**required**) to access reporting and scheduling tools.
- Must successfully complete pre-employment screening (drug test, federal background check, fingerprinting).
- Flexible availability, including nights, weekends, and holidays.

Compensation & Benefits

- Starting pay: **\$17.00/hour**, depending on site and experience.
- Company-paid uniforms.
- Weekly opportunities for additional pay (emergency/same-day jobs).

- Career advancement and leadership opportunities.
- Advanced training (ASIS, AHLEI, and more).
- Professional development support.

Work Schedule

- Shifts available: 8, 10, or 12 hours.
- Day, night, weekend, holiday, and on-call shifts required.
